

Warranty Plan:

Month 1

Month 2/3

SILVER PARTS INCLUDED

UPGRADE to Customer Protect's Silver Warranty and get all the parts included with Bronze AND ALL the parts shown in bold below.

Engine

The rocker assembly, including hydraulic followers, inlet and exhaust valves (not burnt valves), springs and guides, cylinder head (not cracks, de-coking or porous heads), cylinder head gasket (except skim and pressure testing), push rods, camshaft and followers, timing gears and chains (excluding tensioners and connected electrical devices), oil pump, pistons and rings, cylinder bores (excluding cracked or porous bores), con rods, gudgeon pins and bearings, crankshaft and bearings, inlet manifold, flywheel and ring gear. **Timing belts are included provided that the last due change of belt has taken place as specified by the manufacturer's schedule (proof required).**

Manual gearbox

Internal gears, synchromesh hubs, internal selectors, shafts, bearings and bushes and transfer gears (excluding oil leaks).

Automatic gearbox

Internal shafts, gears, clutches, brake bands, valve block, governor, oil pump, bearings and bushes, servo, drive plate and transfer gears (excluding oil leaks).

Torque converter

Failure of any internal mechanical parts.

Differential

Internal crown wheel and pinion, gears, shafts, bearings and bushes.

Clutch

Centre plate, pressure plate, release bearing, oil contamination (centre plate only) and master and slave cylinders.

Front-wheel drive

Drive shafts, including constant velocity joints, universal joints and couplings (not gaiters).

Wheel bearings

Front and rear wheel bearings.

Propshaft

Universal joints and couplings.

Rear-wheel drive

Half shafts, rear-wheel external drive shafts, including constant velocity joints, universal joints and couplings (not gaiters).

Fuel system (diesel and petrol)

Carburetors, automatic choke, lift pump, mechanical or electrical fuel pumps and tank sender unit.

Fuel injection system

Throttle body, airflow meter, idle control valve, cold start valve, warm up regulator, overrun cut off valve, throttle potentiometer, fuel accumulator, pressure regulator, map sensor (except injectors and heater plugs).

Engine cooling system

Radiator, oil cooler, heater matrix, water pump, viscous fan coupling, thermostat and thermostat housing.

Steering (including power assisted steering)

Steering rack and pinion (not gaiters), steering box, power steering rack and pump and idler box.

Front and rear suspension

Hydroelastic displacers and hydropneumatic spheres, coil springs, upper and lower wishbones and ball and swivel joints.

Brakes

Brake master cylinder, wheel cylinders, restrictor valve and brake calliper seals and servo.

Electrical system

Starter motor and solenoid, alternator, indicator flasher relay, front and rear windscreen wiper and washer motors, thermostatically-controlled radiator fan motor, horn and multi-function stalk switch, window and sun roof motors, electric window switches, sunroof switch, central locking motors, heater fan motor, distributor.

Engine management

Engine electronic control unit (ECU).

Working materials

Oils, oil filter and anti-freeze are included only if it is essential to replace them because of the failure of a part which is included under the Agreement.

Casings

If any of the included parts fail and this damages the casing, it will also be included.

OPTIONAL PARTS INCLUDED

If the appropriate box has been selected on the Schedule that item will also be included against Mechanical Breakdown.

*Turbo charger (factory fitted)

The turbo charger unit is included if this item has been selected on the Schedule.

*Four-wheel drive

All four wheel drive components are included if this item has been selected on the Schedule.

*Air conditioning (factory fitted)

The air conditioning compressor unit is included if this item has been selected on the Schedule. In the event of a valid claim, maximum contribution to system re-gas is £45.00 inc VAT.

*Anti locking brake system - ABS (factory fitted)

The ABS modulator and wheel speed sensors will be included if this item has been selected on the Schedule.

BRONZE PARTS INCLUDED

Engine

The rocker assembly, including hydraulic followers, inlet and exhaust valves (not burnt valves), springs and guides, cylinder head (not cracks, de-coking or porous heads), cylinder head gasket (except skim and pressure testing), push rods, camshaft and followers, timing gears and chains (excluding tensioners and connected electrical devices), oil pump, pistons and rings, cylinder bores (excluding cracked or porous bores), con rods, gudgeon pins and bearings, crankshaft and bearings, inlet manifold, flywheel and ring gear. **Timing belts are included provided that the last due change of belt has taken place as specified by the manufacturer's schedule (proof required).**

Manual gearbox

Internal gears, synchromesh hubs, internal selectors, shafts, bearings and bushes and transfer gears (excluding oil leaks).

Automatic gearbox

Internal shafts, gears, clutches, brake bands, valve block, governor, oil pump, bearings and bushes, servo, drive plate and transfer gears (excluding oil leaks).

Torque converter

Failure of any internal mechanical parts.

Differential

Internal crown wheel and pinion, gears, shafts, bearings and bushes.

Clutch

Centre plate, pressure plate, release bearing, oil contamination (centre plate only) and master and slave cylinders. No labour costs included.

Front-wheel drive

Wheel bearings (drive axle only).

Propshaft

Universal joints and couplings.

Rear-wheel drive

Half shafts, rear-wheel external drive shafts, including wheel bearings (drive axle only), constant velocity joints, universal joints and couplings (not gaiters).

Fuel system

Fuel injected engines: Injection pump (excluding: injectors, wiring, pipes, unions, fuel tank and fuel filter). Carburettor engines: Mechanical or electrical fuel lift pump, carburettor.

Engine cooling system

Water pump, viscous fan coupling, thermostat and thermostat housing.

Steering (including power assisted steering)

Steering rack and pinion (not gaiters), steering box, power steering rack and pump and idler box.

Suspension

Coil springs.

Brakes

Brake master cylinder, wheel cylinders, restrictor valve and brake calliper seals.

Electrical system

Starter motor and solenoid, alternator, indicator flasher relay, front windscreen wiper and washer motors.

Working materials

Oils, oil filter and anti-freeze are included only if it is essential to replace them because of the failure of a part which is included under this Agreement.

Casings

If any of the included parts fail and this damages the casing, it will also be included.

OPTIONAL PARTS INCLUDED

If the appropriate box has been selected on the Schedule that item will also be included against Mechanical Breakdown.

*Turbo charger (factory fitted)

The turbo charger unit is included if this item has been selected on the Schedule.

Terms and conditions: 1. Each claim is subject to a £350 claim limit. 2. All faults must be diagnosed and rectified by our recommended garage failure to do so will invalidate your warranty. 3. All work must be authorised before work is carried. 4. There is a mileage limitation of 1000 for our three month warranty therefore your vehicle will be covered for 3months/ 1,000 whichever occurs the soonest. 5. This warranty does not include a loan or hire vehicle. 6. This warranty does not cover any cost of recovery customers should arrange recovery separately 7. Rattles/ squeaks are not covered 8. Cd players/ stereos are not covered. 8. This warranty covers mechanical failure of the above items only. Breakages/abuse will not be covered. 9. We reserve the right to charge the customer for diagnostic time if it becomes apparent the fault is not covered under the warranty plan.
